

TAILOR SATIBELT

NASTRI TRASPORTATORI PERSONALIZZATI
TAILOR MADE CONVEYOR BELTS

LA NOSTRA GAMMA DI NASTRI TRASPORTATORI PERSONALIZZATI

OUR RANGE OF TAILOR MADE CONVEYOR BELTS

I nostri nastri TAILOR SATIBELT sono prodotti e personalizzati secondo le richieste e le esigenze specifiche dei clienti.

Con oltre 30 stampi differenti per l'applicazione di guide e listelli e 6 presse per la vulcanizzazione a caldo, il nostro reparto di produzione rappresenta un'eccellenza produttiva interamente MADE IN ITALY.

La nostra capacità di personalizzazione si estende a una vasta gamma di prodotti, tra cui nastri forati a disegno, nastri con listelli in polizene, nastri per separatori magnetici e nastri per sabbiatrici. Questi sono solo alcuni esempi di ciò che possiamo creare, offrendo soluzioni su misura per rispondere alle più diverse esigenze dei nostri clienti.

L'attenzione ai dettagli, la qualità dei materiali e l'innovazione costante sono alla base del nostro impegno nel fornire prodotti di alta qualità che rispecchiano l'eccellenza artigianale italiana.

Our TAILOR SATIBELT belts are produced and customized according the specific requests and needs of our customers. With over 30 different molds for the application of guides and cleats and 6 presses for hot vulcanization, our production department represents a MADE IN ITALY excellence.

Our customization service includes a wide range of products like punched belts, belts with polizene cleats, belts for magnetic separatos and for sandblasting machines. These are just a few examples of what we can create, offering tailor-made solutions in order to meet all the different customers needs.

The care of the details, the quality of materials and the continous innovation are the base of our high quality Made in Italy products.
