

Para que su banda transportadora vuelva a funcionar rápidamente, puede reparar los cortes y las roturas utilizando nuestros parches, con o sin refuerzo de tela, aplicándolos a la banda con adhesivo SATIBOND T.

For a quick restart of your conveyor belt, you can repair cuts and hole using our repair patches, with or without ply reinforcement and apply them on the belt with our SATIBOND T solution.

TIPO TYPE	DIMENSIÓN DIMENSION	ESPESOR THICKNESS	REFUERZO REINFORCEMENT
	mm	mm
